United States Magistrate Judge

Re: Schneider v. City of Buffalo, et al  
18-CV-1431V(Sr)

Dear Judge Schroeder,

I am requesting a 2-week extension relative to the summary judgment motion response due August 26, 2022. After speaking with opposing counsel today, I believe that there is a legitimate chance that this matter could settle within the next ten days. With that in mind, and with the consent of opposing counsel, I am seeking one last two-week extension to respond to the defendants' summary judgment motion. I believe the extension can help facilitate settlement negotiations. Further, I will be out of town two of the next three days relative to emergent veterinary appointments with two separate dogs. With that in mind, I am seeking a final extension where the new response date would be September 9, 2022. The defendants would then have until September 23, 2022 to reply.

I appreciate the Court's consideration in this matter.

Yours Truly,

/s/ Matthew Albert
